

54	ring clamp for electric heating elements
53	heating element
52	LED display
51	D-shape washer
50	water inlet connector
49	D-shape washer
48	holder
47	adjusting spool of connector
46	adjusting knob
45	stainless steel filter
44	sealed ring
43	hexagon bolt
42	elastic washer
41	plastic washer
40	spring washer
39	hexagon nut
38	MMS screw
37	pipe connected to gas hood
36	sealed washer
35	adjusting knob
34	ST316B-C-II screw
33	decoration strip
32	feedback electrode holder
31	lytton electrode
30	front panel (white powder coated)
29	aluminum foil
28	nick lamtion
27	temperature display box
26	MMS screw
25	drain valve
24	water valve
23	burner
22	holder
21	heat exchanger
20	thermal insulation (board/and pressure switch)
19	air pressure switch
18	air suction pipe
17	coil
16	insufflance
15	airassult system
14	ST316B-C-II screw
13	thermovalst
12	back cover
11	bracket of control box
10	main PCB
9	feedback electrode
8	injector
7	MMS screw
6	MMS screw
5	temperature sensor
4	power cord
3	gas valve
2	MMS screw
1	1/2" plastic pipe cap
